TODAY'S MARKET

We know that the custom integration business is evolving at a rapid pace. Today's integrators are required to continually demonstrate differentiating value to clients all while having to operate more efficiently.

Meeting these demands requires:

- Strategic relationships with select vendor partners that are able to deliver in-demand and high-value products and solutions
- Access to high-profit product that is protected from online and retail price shopping
- Easy ordering with simplified servicing and order tracking to streamline operations and save valuable time

OUR VALUE PROPOSITION

Exclusive Product Assortment

Providing you with an Everyday Awesome™ collection of essential products in key categories designed to provide you solutions for nearly all of your AV projects and installations.

Profitability and Price Protection

Available by invite only to authorized dealers, the Choice Collection program provides dealer-direct products that are not available online or in retail, eliminating price shopping and ensuring margin flexibility and profitability for the dealer.

Ease of Doing Business

The Choice Collection makes getting your product hassle-free. Conveniently place your orders through a single portal and receive product quickly through our free freight program.

INTRODUCING CHOICE COLLECTION

PROGRAM OVERVIEW

Everyday Awesome™

An exclusive collection of our leading product from our leading brands, this is your Everyday Awesome™ assortment of your go-to essential product for all your AV projects and installations.

SANUS®

A brand of  Legrand

Essential collection of flat-panel mounting solutions meeting the needs of today's custom integrators.

MIDDLE ATLANTIC.

A brand of  Legrand

Key custom installation rack solutions comprised of pre-configured and knockdown racks and essential accessories.

Product

- Access to an exclusive collection of your key product categories of flat-panel TV mounts and AV racks & accessories. All product is stock and flow and ready to ship.

Pricing

Chief focuses on commercial AV flat panel and projector mounts. Home Theater, Workstation and Custom Display Solutions are also part of the Chief product offering. Known in the industry for high quality mounts with both Custom and Universal options, as well as an extensive accessories line, Chief is focused on professional installers worldwide.

Da-Lite has been developing innovative screen technologies that move the industry forward for over 100 years. Our proprietary surfaces are designed for each application resulting in expert clarity, rich contrast and vivid color.

Luxul is the leading innovator of simple-to-deploy professional grade IP networking solutions for use by custom installation professionals. Designed for use in both residential and commercial environments, the Luxul family offers a complete line of solutions that simplify network design and deployment—resulting in a scalable network that is both powerful and easy to install.

Founded in 1986, SANUS has grown to become the "1 best-selling TV mount brand in the United States. SANUS designs and builds premium Flat-Panel TV mounts, Speaker Stands and Mounts, Racks and Accessories. Our high-test, acoustically superior solutions are designed for style and engineered to perform.

For nearly 40 years, Middle Atlantic Products has been your trusted infrastructure foundation for ultimate system reliability and performance. We solve integration challenges with innovative products needed to help ensure reliable AV systems.

With a musical lineage reaching back to 1924, Nuvo evolved from a line of superbly designed audio products that were used by musicians ranging from Johnny Cash to Quiet Riot. Today, Nuvo continues this legacy of premium performance and superior quality with an award-winning line of speakers and professional whole home audio solutions.

From reliable infrastructure products to feature-rich smart systems, On-Q brings homes to life with innovative solutions that add convenience, comfort, safety, and entertainment to a home. Designed for professional integrators On-Q will help to simplify installation, boost performance, and ensure that homeowners can easily use and enjoy today's technology.
