

XED Series SUBWOOFERS

XED10V2

10" XED Series SVC Subwoofer (4Ω)

ONE SHEET

Upgrade your system with the Cerwin-Vega XED10V2 10-inch subwoofer, engineered to deliver powerful, clean bass with exceptional value. Part of the renowned XED Series subwoofers, this 10" single voice coil (4Ω) subwoofer is built for car audio enthusiasts who want reliable performance, high output, and deep low-frequency response without compromise.

The XED10V2 4-ohm SVC design offers straightforward installation and seamless compatibility with a wide range of mono amplifiers and factory or aftermarket audio systems. Whether you're upgrading an entry-level setup or adding bass to an existing system, this subwoofer delivers a noticeable improvement in depth, clarity, and overall sound impact.
