

The ERMML6-01B full motion mount fits most 42" to 90" TVs up to 132 lbs. Enhanced movement provides up to a 15-degree tilt and a 45-degree swivel for the best viewing angle. This mount can extend up to 24" and has a profile of 3". Level adjustment allows the TV to be properly leveled after installation. Horizontal shift allows the TV to be moved horizontally on the wall plate to allow optimal placement on the wall. Safety tested and UL certified. Integrated cable management helps to conceal unsightly power and HDMI cables.
