COVE M1

Compact Wi-Fi home speaker

Features and Benefits

Enjoy superior sound simply

The JBL Cove M1 speaker delivers ultra-wide sound with incredible detail that remains clear across the room, at any volume. Detect every vocal nuance, follow every instrument's lead, and feel the bass in your bones, no matter where you're listening.

Seamlessly stream from any service

Wi-Fi or Bluetooth—either way, streaming is easy. Cue up music, podcasts, or audiobooks from your go-to services, including AirPlay, Google Cast, Spotify Connect, Tidal Connect, Qobuz Connect, Roon Ready, and more. Just hit play.

Build your dream home sound system

Keep the music flowing from room to room. With the JBL One app, it's a breeze to link all your JBL Cove and Bar MK2 devices together for multi-room music—or let every room do its own thing. Run one playlist throughout your home, switch up the vibe by space, add a second Cove M1 for rich stereo sound, or pair it with a JBL Bar MK2 to turn movie night into a full-on cinematic moment. And it's built to grow with you—add more products anytime.

Easy 3-step setup with the JBL One app

Three steps and you're in. The JBL One app gets Cove M1 connected to Wi-Fi fast, then lets you dial in sound.

Music follows with just a press

Keep the music flowing as you move through your home—no phone, no app, no fuss. With Music Follows Me, you can simply long-press the Moment button to jump the music to the room you're in, just like that.

Perfectly balanced sound, unlocked

Hear balanced, natural sound anywhere in the room—even as you move around. Thanks to Constant Sound Field, the sweet spot opens up, so every seat feels like the best seat in the house.
