KIN BY TOTEM

KIN Play Sound Bar II is fully capable of providing exciting, explosive performance for movies and gaming, but can also play richly and with enhanced clarity at low volumes.

An array of equalization settings - **Pure, Concert, Movies, TV, Night, and Games-** ensure **KIN Play Sound Bar** adapts to every listening preference.

The 10" 300watt **KIN SUB 10** can be easily **paired wirelessly**. It adds substantial depth and impact to the low frequencies, enhancing the bass experience.

At 1200 mm/ 47 1/4" wide, it is sized to fit 55" screens and larger, and at 115mm / 4.5" deep, about the depth of a mounted TV.
