MOJO MINI ENCLOSURE

MJMERAM8DIV3

Dual 8" Mini MOJO 2002-2018 Ram Quad Cab

This precision-engineered enclosure is designed to fit seamlessly under the rear seat and delivers deep, powerful bass tuned specifically for the unique acoustics of your Ram's cabin. It comes loaded with dual 8" MOJO Mini subwoofers for hard-hitting, accurate low-end performance.

Installation is simple with included 1/2" seat spacers that lift the rear seat just enough to fit the box. No permanent mods required — the spacers can be easily removed to restore your truck's seat height anytime.
