

TILTING MOUNT

T300

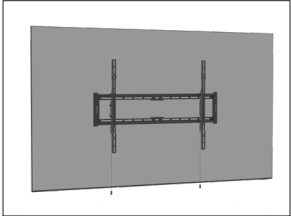

T300 low profile tilting TV mount combines sleek design with heavy-duty performance, supporting TVs up to 150 lbs and VESA patterns up to 800x600. Despite accommodating larger displays, it maintains a low-profile of 1.8" for a clean, modern look. Its leveling adjustments and extra-wide wall plate allow precise TV positioning, while quick-release arms and an open-frame design streamline servicing and cable management. With 10° forward and 4° backward tilt adjustments, T300 lets you optimize viewing angles with ease. Whether you're upgrading your home theater or wall-mounting a display in a conference room, T300 offers the ideal blend of form and function for any setup.

HEAVY DUTY SUPPORT

Designed for extra-large TVs, T300 supports up to 150 lbs and VESA patterns up to 800x600. Whether you're upgrading your home theater or mounting an interactive display in a conference room, T300 is up to the task.

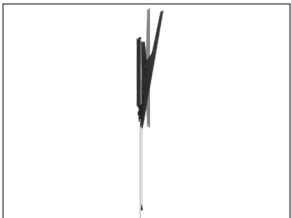

HASSLE-FREE INSTALLATION

Quick-release arms make securing or removing your TV effortless, perfect for servicing or upgrades. The open-frame design accommodates outlets and simplifies cable management, keeping your setup clean and organized.

PERFECT ALIGNMENT

Level adjustments and horizontal shift ensure precise TV positioning, even when your studs aren't in the ideal location. Achieve a professional, symmetrical look right out of the gate.

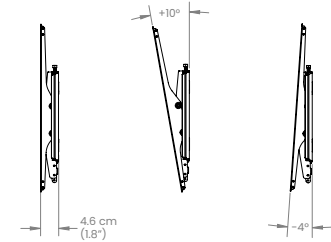

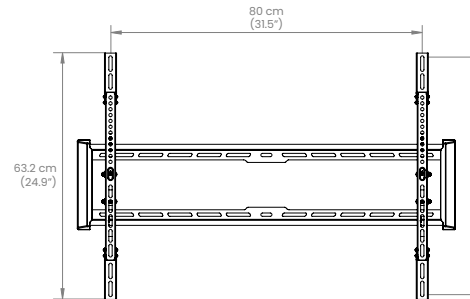

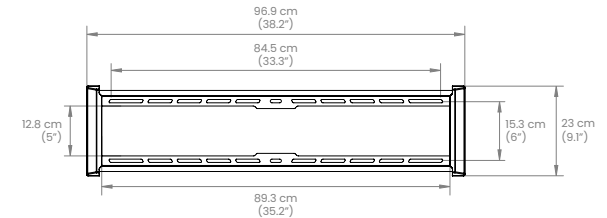

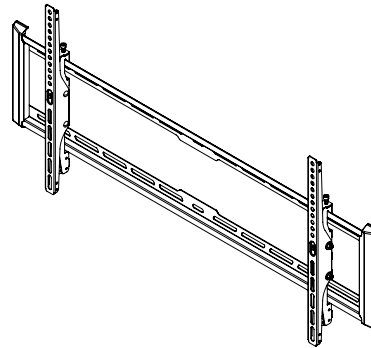

LOW PROFILE

Despite its over-achieving specs, T300 features a slim 1.8" profile, delivering a sleek aesthetic that complements any space without detracting from the thin look of modern TVs.

PRECISE VIEWING ANGLES

With tilt adjustments of 10° forward and 4° backward, T300 lets you optimize your viewing angle for maximum comfort and reduced glare.
