# Power the Dash Cam

Use one of the following options
The included cable options vary depending on the dash cam model purchased.

12V Power Cable

Hardwiring Cable*

OBD-II Cable*

- *To enable Parking Surveillance mode, the dash cam needs to be powered by either the OBD-II Cable or Hardwiring Cable (professional installation recommended).
- We strongly recommend professional installation by a trained mechanic. Contact an authorized service center to connect the hardwiring cable to the vehicle. If the product is not installed properly, the product may be damaged, or an electrical fire or electrocution may occur.

Download the App

Download the THINKWARE DASHCAM LINK App
On your smartphone, open the Google Play Store or Apple App Store and download and install **THINKWARE DASH CAM LINK**.

THINKWARE DASH CAM LINK

Apple Store (iOS)

Google Play Store (Android)
